SEMESTER SCHEDULE

For most students, Hewitt recommends a semester for each Lightning Literature guide. (This is how Hewitt’s English and Honors English programs are run.)

This schedule does not include any of the optional reading. (This includes such things as the introductions to the texts.) This schedule allows for two papers for each book-length work and one paper for each shorter work. (These are the paper requirements for students enrolled in Hewitt.) If you wish to alter this, you may need to alter the schedule accordingly.

You may want to answer the Comprehension Questions more frequently than once a week, possibly even as often as daily. How often you answer them is up to you. This schedule assumes an 18-week semester. It does not state where those weeks fall (for example, it does not start on September first, show a week’s break for Christmas, etc.), it simply numbers the weeks. Whenever you take a mid-year break, just return to the next week where you left off.

Note that when your first quarter ends (after nine weeks) you will be behind in this class. Don’t worry. The second book is very long, but rather than rush through the book I believe it is better if you take your time. You will make up time in the second quarter. If you are enrolled with Hewitt, simply delay sending in the first quarter until you have completed all your work. (Or you can submit all your other work and follow up later with your English when you have completed it. Or you can submit some of your English work with your other first quarter work with a note stating that the rest will follow later.)
